

The John McCrossin Memorial Basketball Classic was created by several friends of “Johnny Mac” who wanted an event that would honor his legacy. At the time of his passing on August 26, 2014, John was the superintendent of the Fife School District. Many say he was best known at the basketball coach and Fife High School, Sumner High School and Lincoln High School in Tacoma. His passion for basketball and coaching had him volunteering as an assistant coach at the University of Puget Sound.

" I never met a man with more passion or love for the game of basketball than John" says friend Keven Ringus. " He's was true student of the game". On behalf of the guys from Hoopaholics and the many people “Johnny Mac” has touched enjoy the John McCrossin Memorial Basketball Classic and help us keep “ Johnny Mac's” memory alive.....
